Student Induction Programme-2026

Date- 21th August 2026

As the transformative week-long induction journey of “उड़ान 2026” reaches its grand climax, the Institute of Engineering & Technology (IET-DAVV) invites the entire incoming B.Tech Batch of 2026 to the **Grand Finale and Valedictory Session** on **24th August 2026**. Attendance is mandatory for all first-year students to celebrate the successful conclusion of Day 7 of the induction programme.

To make the finale truly unforgettable, the final day features an electrifying keynote musical discourse and interactive youth session titled “**Mindfulness, Youth Leadership & Personal Excellence**” led by internationally acclaimed artiste, musician, and senior Art of Living director, **Shri Vikram Hazra Ji**. He is globally renowned for pioneering a fusion of ancient Sanskrit chants with electric guitar, rock, jazz, and world music, his high-energy session promises an exciting blend of music, stress-busting techniques, and practical life hacks for college success.
